Dear Fellow Stockholders:

You are cordially invited to attend the 2019 Annual Meeting of Stockholders (the “Annual Meeting”) of Krystal Biotech, Inc., which will be held at the offices of Morrison & Foerster LLP, located at 425 Market Street, San Francisco, California 94105, on May 30, 2019, at 10:00 a.m. Pacific Time.

The matters expected to be acted upon at the meeting are described in detail in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement.

In accordance with U.S. Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to our stockholders. Because we are using the Internet, most stockholders will not receive paper copies of our proxy materials. We will instead send our stockholders a notice with instructions for accessing the proxy materials and voting via the Internet. This notice also provides information on how our stockholders may obtain paper copies of our proxy materials if they so choose. We believe the use of the Internet makes the proxy distribution process more efficient and less costly, and helps in conserving natural resources.

The Proxy Statement, the accompanying form of proxy card, the Notice of Annual Meeting of Stockholders and our Annual Report on Form 10-K for the fiscal year ended December 31, 2018 are available at <http://www.proxyvote.com> and may also be accessed through our website at www.krystalbio.com under the “SEC Filings” section of the “Investors” page. If you would like to receive a paper or e-mail copy of these documents, you must request one. There is no charge to you for requesting a copy.

Your vote is important. Please cast your vote as soon as possible over the Internet, by telephone, or by completing and returning the proxy card to ensure that your shares are represented. Your vote by written proxy will ensure your representation at the Annual Meeting regardless of whether or not you attend in person. Returning the proxy does not deprive you of your right to attend the Annual Meeting and to vote your shares in person.

On behalf of our Board of Directors and our employees, we thank you for your continued interest in and support of our company. We look forward to seeing you on May 30, 2019.

Sincerely,

Krish S. Krishnan

PROXY STATEMENT

ABOUT THE MEETING

Why am I receiving this Proxy Statement?

This Proxy Statement (this “Proxy Statement”) contains information related to the solicitation of proxies for use at our 2019 Annual Meeting of Stockholders (the “Annual Meeting”), to be held at the offices of Morrison & Foerster LLP, located at 425 Market Street, San Francisco, California 94105, on May 30, 2019, at 10:00 a.m. Pacific Time, for the purposes stated in the accompanying Notice of Annual Meeting of Stockholders. This solicitation is made by Krystal Biotech, Inc. on behalf of our Board of Directors (also referred to as the “Board” in this Proxy Statement). “We,” “our,” “us,” “Krystal,” and the “Company” refer to Krystal Biotech, Inc.

We have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending to our stockholders of record as of the close of business on April 2, 2019, the record date for the Annual Meeting (the “Record Date”), a Notice of Internet Availability of Proxy Materials (the “Notice”) relating to our Annual Meeting of Stockholders. All stockholders of record will have the ability to access the proxy materials on the website referred to in the Notice or to request to receive a printed set of the proxy materials. Instructions on how to request a printed copy by mail or electronically may be found on the Notice and on the website referred to in the Notice, including an option to request paper copies on an ongoing basis. On or about April 15, 2019, we intend to make this Proxy Statement and accompanying form of proxy card available on the Internet and to mail the Notice to all stockholders entitled to vote at the Annual Meeting. We intend to mail this Proxy Statement, together with a proxy card, to those stockholders entitled to vote at the Annual Meeting who have properly requested paper copies of such materials, within three business days of such request.

The Notice, this Proxy Statement, accompanying form of proxy card and our Annual Report on Form 10-K for the fiscal year ended December 31, 2018 are available at <http://www.proxyvote.com>. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

What am I being asked to vote on?

You are being asked to vote on the following proposals:

- **Proposal 1 (Election of Class II Directors):** The election of the two Class II director nominees named in this Proxy Statement, each for a three-year term expiring at the 2022 annual meeting of stockholders (the “2022 Annual Meeting”);
- **Proposal 2 (Ratification of Mayer Hoffman McCann P.C.):** The ratification of Mayer Hoffman McCann P.C. (“Mayer Hoffman”) as our independent registered public accounting firm for our fiscal year ending December 31, 2019; and
- To transact any other business that may properly come before the Annual Meeting or any adjournment(s) or postponements of the Annual Meeting.

What are the Board’s voting recommendations?

The Board recommends that you vote as follows:

- **Proposal 1 (Election of Class II Directors):** “FOR” each of the Board nominees for election as directors; and
- **Proposal 2 (Ratification of Mayer Hoffman McCann P.C.):** “FOR” the ratification of Mayer Hoffman as our independent registered public accounting firm for our fiscal year ending December 31, 2019.

Who is entitled to vote at the Annual Meeting?

Only holders of record of our common stock, par value \$0.00001 per share (our “Common Stock”), at the close of business on April 2, 2019, which is the Record Date, are entitled to receive notice of the Annual Meeting and to vote at the Annual Meeting. Our Common Stock constitutes the only class of securities entitled to vote at the Annual Meeting.

What are the voting rights of stockholders?

Each share of our Common Stock outstanding on the Record Date entitles its holder to cast one vote on each matter to be voted on.

Who can attend the Annual Meeting?

All holders of our Common Stock as of the Record Date (the close of business on April 2, 2019), or their duly appointed proxies, are authorized to attend the Annual Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

- **Stockholder of record.** If your shares are registered directly in your name with our transfer agent, Computershare, you are considered the stockholder of record of those shares and the Notice is being sent directly to you by us.
- **Beneficial owner of shares held in street name.** If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of shares held in “street name,” and the Notice is being forwarded to you by your broker or nominee, which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker how to vote your shares and are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you bring with you a legal proxy from the organization that holds your shares.

What will constitute a quorum at the Annual Meeting?

The presence at the meeting, in person or by proxy, of the holders of a majority of our Common Stock outstanding on the Record Date (the close of business on April 2, 2019) will constitute a quorum, permitting our stockholders to conduct business at the meeting. We will include abstentions and broker non-votes in the calculation of the number of shares considered to be present at the meeting for purposes of determining the presence of a quorum at the meeting. As of the Record Date, there were 14,443,569 shares of our Common Stock outstanding.

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit solicitation of additional proxies. The chairperson of the Annual Meeting shall have the power to adjourn the Annual Meeting.

What are broker non-votes?

Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial owners at least ten days before the Annual Meeting. If that happens, the nominees may vote those shares only on matters deemed “routine” by the New York Stock Exchange (the “NYSE”). On non-routine matters, nominees cannot vote without instructions from the beneficial owner, resulting in a so-called “broker non-vote.”

[Table of Contents](#)

Proposal 2 (ratification of Mayer Hoffman) is the only proposal that is considered “routine” under the NYSE rules. If you are a beneficial owner and your shares are held in the name of a broker or other nominee, the broker or other nominee is permitted to vote your shares on the ratification of the appointment of Mayer Hoffman as our independent registered public accounting firm for our fiscal year ending December 31, 2019, even if the broker or other nominee does not receive voting instructions from you.

Under Nasdaq rules, Proposal 1 (Election of Class II Directors) is considered a “non-routine” proposal. Consequently, if you do not give your broker or other nominee voting instructions, your broker or other nominee will not be able to vote on this proposal, and broker non-votes may exist with respect to the election of directors.

How many votes are needed for the proposals to pass?

The proposals to be voted on at the Annual Meeting have the following voting requirements:

- Proposal 1 (Election of Class II Directors): Directors are elected by plurality vote. There is no cumulative voting in the election of directors. Therefore, the two director nominees receiving the highest number of “FOR” votes will be elected. For purposes of the election of directors, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.
- Proposal 2 (Ratification of Mayer Hoffman): The affirmative vote of a majority of the votes cast once a quorum has been established is required to ratify the appointment of Mayer Hoffman as our independent registered public accounting firm for our fiscal year ending December 31, 2019. For purposes of the vote on the ratification of Mayer Hoffman as our independent registered public accounting firm, abstentions will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

Will any other matters be voted on?

As of the date of this Proxy Statement, we are not aware of any matters that will come before the Annual Meeting other than those disclosed in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy card will vote the shares represented by the proxies on the other matters in the manner recommended by the Board, or, if no such recommendation is given, in the discretion of the proxy holders.

How do I vote?

If you are a registered stockholder as of the Record Date, you may submit your proxy by U.S. mail, Internet or telephone by following the instructions in the Notice. If you requested a paper copy of the proxy materials, you also may submit your completed proxy card by mail by following the instructions included with your proxy card. The deadline for submitting your vote by Internet or telephone is 11:59 a.m. Eastern Time on the day before the date of the Annual Meeting. The designated proxy holders named in the proxy card will vote according to your instructions. You may also attend the Annual Meeting and vote in person.

If you are a street name or beneficial stockholder because your shares are held in a brokerage account or by a bank or other nominee, your broker or nominee firm will provide you with the Notice. Follow the instructions on the Notice to access our proxy materials and vote by Internet or to request a paper or email copy of our proxy materials. If you receive these materials in paper form, the materials include a voting instruction card so that you can instruct your broker or nominee how to vote your shares.

If you sign and submit your proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with the Board’s recommendations specified above under “What are the Board’s voting recommendations?” and in accordance with the discretion of the proxy holders with respect to any other matters that may be voted upon at the Annual Meeting.

If I plan to attend the Annual Meeting, should I still vote by proxy?

Yes. Voting in advance does not affect your right to attend the Annual Meeting. If you send in your proxy card and also attend the Annual Meeting, you do not need to vote again at the Annual Meeting unless you want to change your vote. Written ballots will be available at the meeting for stockholders of record. Beneficial owners of shares held in street name who wish to vote in person at the Annual Meeting must request a legal proxy from the organization that holds their shares and bring that legal proxy to the Annual Meeting.

How are proxy card votes counted?

If the proxy card is properly signed and returned to us, and not subsequently revoked, it will be voted as directed by you. Unless contrary instructions are given, the persons designated as proxy holders on the proxy card will vote: “FOR” the election of all nominees for the Board named in this Proxy Statement; “FOR” the ratification of the appointment of Mayer Hoffman as our independent registered public accounting firm for the fiscal year ending December 31, 2019; and as recommended by the Board with regard to any other matters that may properly come before the Annual Meeting, or, if no such recommendation is given, in their own discretion.

May I revoke my vote after I return my proxy card?

Yes. You may revoke a previously granted proxy and change your vote at any time before the taking of the vote at the Annual Meeting by (i) filing with our Secretary a written notice of revocation or a duly executed proxy bearing a later date or (ii) attending the Annual Meeting and voting in person.

Who pays the costs of soliciting proxies?

We will pay the costs of soliciting proxies, including preparation and mailing of the Notice, preparation and assembly of this Proxy Statement, the proxy card and the Annual Report to Stockholders/Form 10-K for the fiscal year ended December 31, 2018, coordination of the Internet and telephone voting process, and any additional information furnished to you by the Company. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our Common Stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of shares of our Common Stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by Internet and mail may be supplemented by telephone, facsimile, or personal solicitation by our directors, officers or other regular employees.

What are the implications of being an “emerging growth company”?

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act, enacted on April 5, 2012 (the “JOBS Act”). For as long as we are an “emerging growth company,” we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not “emerging growth companies,” including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding stockholder advisory “say-on-pay” votes on executive compensation and stockholder advisory votes on golden parachute compensation.

Under the JOBS Act, we will remain an “emerging growth company” until the earliest of:

- the last day of the fiscal year during which we have total annual gross revenues of \$1.07 billion or more;
- the last day of the fiscal year following the fifth anniversary of our initial public offering;
- the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt; and

[Table of Contents](#)

- the date on which we are deemed to be a “large accelerated filer” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (we will qualify as a large accelerated filer as of the first day of the first fiscal year after we have (i) more than \$700 million in outstanding common equity held by our non-affiliates and (ii) been public for at least 12 months; the value of our outstanding common equity will be measured each year on the last day of our second fiscal quarter).

You should rely only on the information provided in this Proxy Statement. We have not authorized anyone to provide you with different or additional information. You should not assume that the information in this Proxy Statement is accurate as of any date other than the date of this Proxy Statement or, where information relates to another date set forth in this Proxy Statement, then as of that date.

PROPOSALS TO BE VOTED ON

PROPOSAL 1: ELECTION OF CLASS II DIRECTORS

Our Board of Directors is divided into three classes of directors, each serving staggered three-year terms. The Board is currently comprised of seven directors, two of whom have terms expiring at the Annual Meeting. The nominees, each of whom is currently serving as a Class II director, have been recommended by the Board for re-election to serve as directors for three-year terms until the 2022 Annual Meeting and until their successors are duly elected and qualify.

The Board knows of no reason why either nominee would be unable to serve as a director. If either nominee is unavailable for election or service, the Board may designate a substitute nominee and the persons designated as proxy holders on the proxy card will vote for the substitute nominee recommended by the Board. Under these circumstances, the Board may also, as permitted by our bylaws, decrease the size of the Board.

Nominees for Election for a Three-Year Term Expiring at the 2022 Annual Meeting

The following table sets forth the name and age of each nominee for director, indicating all positions and offices with us currently held by the director.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board, which is composed entirely of independent directors, has appointed Mayer Hoffman as our independent registered public accounting firm for the fiscal year ending December 31, 2019. After careful consideration of the matter and in recognition of the importance of this matter to our stockholders, the Board has determined that it is in the best interests of the Company and our stockholders to seek the ratification by our stockholders of our Audit Committee's selection of our independent registered public accounting firm.

Vote Required and Recommendation

The affirmative vote of the holders of a majority of all the votes cast at the Annual Meeting with respect to the matter is necessary for the approval of the ratification of the appointment of Mayer Hoffman as our independent registered public accounting firm. For purposes of vote on this proposal, abstentions will not be counted as votes cast and will have no effect on the result of the vote. Even if the appointment of Mayer Hoffman as our independent registered public accounting firm is ratified, the Audit Committee may, in its discretion, change that appointment at any time during the year should it determine such a change would be in our and our stockholders' best interests. In the event that the appointment of Mayer Hoffman is not ratified, the Audit Committee will consider the appointment of another independent registered public accounting firm, but will not be required to appoint a different firm.

THE BOARD RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF MAYER HOFFMAN AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2019.

Pre-Approval Policies and Procedures

The Audit Committee's policy is to review and pre-approve, either pursuant to the Company's Audit and Non-Audit Services Pre-Approval Policy (the "Pre-Approval Policy") or through a separate pre-approval by the Audit Committee, any engagement of the Company's independent auditor to provide any audit-related and non-audit services to the Company. Pursuant to the Pre-Approval Policy, which the Audit Committee reviews and reassesses periodically, a list of specific services within certain categories of services, including audit, audit-related and tax services, are specifically pre-approved for the upcoming or current fiscal year, subject to an aggregate maximum annual fee payable by us for each category of pre-approved services. Any service that is not included in the approved list of services must be separately pre-approved by the Audit Committee. In addition, the Audit Committee may delegate authority to its chairman to pre-approve engagements for the performance of audit-related and non-audit services. Additionally, all audit-related and non-audit services in excess of the pre-approved fee level, whether or not included on the pre-approved list of services, must be separately pre-approved by the Audit Committee. The Audit Committee has delegated authority to its chairperson to pre-approve engagements for the performance of audit and non-audit services, for which the estimated cost for such services shall not exceed \$100,000 in the aggregate for any calendar year. The chairperson must report all pre-approval decisions to the Audit Committee at its next scheduled meeting and provide a description of the terms of the engagement. During each of the years ended December 31, 2018 and December 31, 2017, 100% of the services provided by Mayer Hoffman following completion of our initial public offering were pre-approved under the Pre-Approval Policy.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Structure and Leadership

Our second amended and restated certificate of incorporation and amended and restated bylaws provide for a classified board of directors consisting of three classes of directors, each serving staggered three-year terms. As a result, one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms. Our directors are divided equally among the three classes as follows.

- the Class I directors are Ms. Krishnan, Mr. Gangolli and Mr. Norby, and their terms will expire at the 2021 annual meeting;
- the Class II directors are Mr. Janney and Mr. Rossi, and their terms will expire at the Annual Meeting and they will stand for reelection at the Annual Meeting;
- the Class III directors are Mr. Krishnan and Mr. Ganorkar, and their terms will expire at the 2020 annual meeting of stockholders.

Each director's term continues until the election and qualification of his or her successor, or his or her earlier death, resignation or removal. Our second amended and restated certificate of incorporation and amended and restated bylaws that will be effective upon the closing of this offering will authorize only our board of directors to fill vacancies on our board of directors. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

Combined Chairman and Chief Executive Officer Positions

Mr. Krishnan serves as the Chairman of the Board and Chief Executive Officer. The Board has reviewed its current leadership structure and has determined that the use of the lead independent director, as described below, along with the combined Executive Chairman and Chief Executive Officer positions, is currently the most appropriate and effective leadership structure for the Company. As the individual primarily responsible for the day-to-day management of business operations, he is best positioned to chair regular Board meetings as the directors discuss key business and strategic issues. Coupled with a lead independent director, this leadership structure allows the Board to exercise independent oversight and enables the Board to have direct access to information related to the day-to-day management of business operations.

Lead Independent Director

The Board believes that its governance structure ensures a strong, independent Board even though the Board does not have an independent Chairman. To strengthen the role of our independent directors and encourage independent Board leadership, the Board also has established the position of lead independent director, which currently is held by Mr. Norby. The responsibilities of the lead independent director include, among others:

- presiding at all meetings of the Board at which the Chairman of the Board is not present;
- scheduling meetings of the independent directors from time to time, but not less than twice a year;
- developing the agendas for, and presiding at, executive sessions of the independent directors of the Board;
- communicating the sense of the Board to the Chief Executive Officer of the Company;
- assisting the Chairman of the Board to review and set the agenda and schedule for each of the Board's meetings, including bringing to the attention of the Chairman of the Board particular issues for the Board's attention and consideration and assuring there is sufficient time for discussion of all agenda items;
- assisting in improving the effectiveness of Board meeting;

[Table of Contents](#)

- assisting the Chairman of the Board in the review and approval of information and materials to be sent to the Board, including in particular providing input as to the quality, quantity and timeliness of the information submitted by the Company's management that is necessary or appropriate for the independent directors to effectively and responsibly perform their duties; and
- coordinating with committee heads with respect to committee self-evaluations.

Director Independence

As required under Nasdaq listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. The Board consults with the Company's counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent registered public accounting firms, the Board has affirmatively determined that the following four current directors are independent directors within the meaning of the applicable Nasdaq listing standards: Messrs. Janney, Gangolli, Norby, Rossi and Ganorkar. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with the Company.

In making those independence determinations, the Board took into account certain relationships and transactions that occurred in the ordinary course of business between the Company and entities with which some of its directors are or have been affiliated. The Board considered all relationships and transactions that occurred during any 12-month period within the last three fiscal years and determined that they were not relationships that would interfere with their exercise of independent judgment in carrying out their responsibilities as directors.

Role of the Board in Risk Oversight

One of the key functions of the Board is informed oversight of our risk management process. The Board administers this oversight function directly, with support from its three standing committees, the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee, each of which addresses risks specific to their respective areas of oversight. In particular, our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Board Committees

Our Board of Directors has established three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee. The principal functions of each committee are described below. We comply with the listing requirements and other rules and regulations of Nasdaq, as amended or modified from time to time, and each of these committees is comprised exclusively of independent directors. Additionally, our Board of Directors may from time to time establish certain other committees to facilitate the management of our company.

In addition, our board of directors has determined that Mr. Norby is an “audit committee financial expert” as defined in Item 407(d)(5)(ii) of Regulation S-K promulgated under the Securities Act. This designation does not impose any duties, obligations or liabilities that are greater than are generally imposed on members of our audit committee and our board of directors. Our audit committee is responsible for, among other things:

- our accounting and financial reporting processes, including our financial statement audits and the integrity of our financial statements;
- our compliance with legal and regulatory requirements;
- reviewing and approving related person transactions;
- selecting and hiring our registered independent public accounting firm;
- the qualifications, independence and performance of our independent auditors; and

During the fiscal year ended December 31, 2018, the Audit Committee met 4 times, including telephonic meetings.

Compensation Committee

Our Compensation Committee is composed of Messrs. Norby, Janney and Rossi. Mr. Janney is the chairperson of our Compensation Committee. The composition of our Compensation Committee meets the requirements for independence under the current Nasdaq listing standards and SEC rules and regulations. Each member of this committee is: (i) an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code; and (ii) a non-employee director, as defined in Rule 16b-3 promulgated under the Exchange Act. Our Compensation Committee is responsible for, among other things:

- administering our cash-based and equity-based compensation plans; and
- making recommendations to the Board regarding any other Board responsibilities relating to executive compensation.

During the fiscal year ended December 31, 2018, the Compensation Committee met once in a telephonic meeting.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is composed of Messrs. Norby, Gangolli and Rossi. Mr. Rossi is the chairperson of our Nominating and Corporate Governance Committee. The composition of our Nominating and Corporate Governance Committee meets the requirements for independence under the current Nasdaq listing standards and SEC rules and regulations. Our Nominating and Corporate Governance Committee is responsible for, among other things:

- identifying, considering and recommending candidates for membership on our Board;
- overseeing the process of evaluating the performance of our Board; and
- advising our Board on other corporate governance matters.

During the fiscal year ended December 31, 2018, the Nominating and Corporate Governance Committee did not meet.

Director Selection Process

The Nominating and Corporate Governance Committee is responsible for, among other things, the selection and recommendation to the Board of nominees for election as directors. In accordance with the Nominating and Corporate Governance Committee charter and our Corporate Governance Guidelines, the Nominating and Corporate Governance Committee develops on an annual basis guidelines and criteria for the selection of candidates for directors of the Board. The Nominating and Corporate Governance Committee considers whether a potential candidate for director has the time available, in light of other business and personal commitments, to perform the responsibilities required for effective service on the Board, along with their personal and professional integrity, demonstrated ability and judgement, experience, familiarity with the Company, diversity (of both experience and background) as well as certain other relevant factors. Applying these criteria, the Nominating and Corporate Governance Committee considers candidates for Board membership suggested by its members and the chairman of the Board and chief executive officer as well as stockholders. After completing the identification and evaluation process described above, the Nominating and Corporate Governance Committee recommends the nominees for directorship to the Board. Taking the Nominating and Corporate Governance Committee's recommendation into consideration, the Board then approves the nominees for directorship for stockholders to consider and vote upon at the annual stockholders' meeting.

In August 2017, we issued 914,107 shares of Series A Preferred Stock, or Series A Preferred, to Sun Pharma (Netherlands) B.V., or Sun Pharma, an indirect subsidiary of Sun Pharmaceutical Industries Limited, pursuant to a stock purchase agreement for aggregate proceeds to us of approximately \$7.0 million. Sun Pharma is a multinational pharmaceutical company and the largest pharmaceutical company headquartered in India. For so long as it remained a holder of Series A Preferred, Sun Pharma had a right to designate and have elected a single representative to our board of directors and accordingly, in September 2017, Kirti Ganorkar was elected to our board of directors. Each share of Series A Preferred held by Sun Pharma converted into a share of common stock upon the closing of our initial public offering.

Stockholders wishing to recommend individuals for consideration as directors must follow the procedures described in Article II, Section 11 of the Company's bylaws, including (among other requirements) the giving of written notice of the nomination to our Secretary no later than 120 days prior to the first anniversary of the date of the proxy statement for the previous year's annual meeting. The stockholder's notice must set forth as to each nominee all information relating to the person that would be required to be disclosed in a solicitation of proxies for election of directors pursuant to Regulation 14A under the Exchange Act if the candidate had been nominated

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in the reports and documents the Company files with, or submits to, the SEC and in other public communications made by the Company;

The Audit Committee is currently composed of Messrs. Janney, Norby and Rossi, with Mr. Norby serving as its chairperson. The members of the Audit Committee are appointed by and serve at the discretion of the Board.

One of the principal purposes of the Audit Committee is to assist the Board in the oversight of the integrity of the Company's financial statements. The Company's management team has the primary responsibility for the financial statements and the reporting process, including the system of internal controls and disclosure controls and procedures. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K for the fiscal year ended December 31, 2018 with our management.

The Audit Committee also is responsible for assisting the Board of Directors in the oversight of the qualification, independence and performance of the Company's independent auditors. The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards and those matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board ("PCAOB").

The Audit Committee has received both the written disclosures and the letter from Mayer Hoffman McCann P.C. required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with Mayer Hoffman McCann P.C. its independence. In addition, the Audit Committee has considered whether the provision of non-audit services, and the fees charged for such non-audit services, by Mayer Hoffman McCann P.C. are compatible with maintaining the independence of Mayer Hoffman McCann P.C. from management and the Company.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the Company's audited financial statements for 2018 be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2018 for filing with the SEC.

Respectfully submitted,

The Audit Committee of the Board of Directors

R. Douglas Norby (Chairman)
Daniel S. Janney
Dino A. Rossi

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy

We have adopted a written related-person transactions policy that provides that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of our common stock and any members of the immediate family of the foregoing persons, are not permitted to enter into a material related-person transaction with us without the review and approval of our Audit Committee, or a committee composed solely of independent directors in the event it is inappropriate for our Audit Committee to review such transaction due to a conflict of interest. The policy provides that any request for us to enter into a transaction with an executive officer, director, nominee for election as a director, beneficial owner of more than 5% of our common stock or with any of their immediate family members or affiliates, in which the amount involved exceeds \$120,000 will be presented to our Audit Committee for review, consideration and approval. In approving or rejecting any such proposal, we expect that our Audit Committee will consider the relevant facts and circumstances available and deemed relevant to the Audit Committee, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction.

Related Party Transactions

Indemnification of Officers and Directors

Our charter and bylaws provide for certain indemnification rights for our directors and officers and we entered enter into an indemnification agreement with each of our executive officers and directors, providing for procedures for indemnification and advancement by us of certain expenses and costs relating to claims, suits or proceedings arising from their service to us or, at our request, service to other entities, as officers or directors, or in certain other capacities, to the maximum extent permitted by Delaware law.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the NYSE. Executive officers, directors and greater than 10% stockholders are required by the SEC to furnish us with copies of all Forms 3, 4 and 5 that they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended December 31, 2018, two reports filed under Section 16(a) were not filed in a timely manner that reported transactions by our officers, directors or greater than ten percent beneficial owners. Both were filed on May 24, 2018 and related to option grants to Antony A. Riley.

Other Matters to Come Before the 2018 Annual Meeting

No other matters are to be presented for action at the Annual Meeting other than as set forth in this Proxy Statement. If other matters properly come before the meeting, however, the persons named in the accompanying proxy card will vote all proxies solicited by this Proxy Statement as recommended by the Board, or, if no such recommendation is given, in their own discretion.

Stockholders Proposals and Nominations for the 2019 Annual Meeting

Any stockholder proposal pursuant to Rule 14a-8 of the rules promulgated under the Exchange Act, to be considered for inclusion in our proxy materials for the 2019 Annual Meeting must be received at our principal executive offices no later than December 17, 2019.

In addition, any stockholder who wishes to propose a nominee to the Board or propose any other business to be considered by the stockholders (other than a stockholder proposal included in our proxy materials pursuant to Rule 14a-8 of the rules promulgated under the Exchange Act) must comply with the advance notice provisions and other requirements of Section 2.9 of our bylaws, which are on file with the SEC and may be obtained from our Secretary upon request. These notice provisions require that nominations of persons for election to the Board of Directors and the proposal of business to be considered by the stockholders for the 2020 Annual Meeting must be received no earlier than December 17, 2019 and no later than January 16, 2020.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for notices of annual meetings, proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies. This year, a single notice of the annual meeting of stockholders, or copy of the proxy statement and annual report, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, and direct your written request to Krystal Biotech, Inc. at 2100 Wharton Street, Suite 701, Pittsburgh, Pennsylvania 15203, Attention: Secretary, or contact us by telephone at
